FOR WORKING IN
AGED CARE DAY
SEPTEMBER 10TH 2019

Every day, people working in aged care look after and support our older loved ones. Families, residents and those receiving homecare appreciate your care and commitment.

We invite the entire aged care community – care recipients, families and staff and aged care unions – to join together to celebrate the great work done by all those working in aged care on **Tuesday, 10th of September 2019.**
